Cal Dooley

Chelle Estades

the American Petroleum Institute on Sept. 1. Dooley has led GMA since its merger in January 2007 with the Food Products Association. He led FPA for two years before the merger, and prior to that served seven terms in Congress representing California's San Joaquin Valley area.

The U.S. division of Dorf Ketal has hired **Chelle Estades** as national accounts manager. In her

new role, she will lead sales and marketing efforts for the Lubricant Additive and Plastic Additive divisions. **Darin Wilson** has also joined the company as business development manager for petrochemicals. He has worked with Dupont, Betz Process Chemicals, and most recently as business development leader for GE Water and Process Technologies. ■
